## Summer Birthdays

Please contact your teacher if you have a summer birthday that you'd like to celebrate with your classmates.

## Transportation Form

Everyone must return the UCS Request for Transportation form by Friday, May 18.

## Fantasy Report

Your book report is due Thursday, May 17. Take your time and present a neatly written report. I hope you enjoyed your book!

## Rosary

The month of May is dedicated to The Blessed Mother. We will honor Mary by praying the Rosary. I want you to bring a Rosary, but ones that are too precious should remain at home.

## Summer Math Book

In your Friday folder you received a letter about this summer's math work. This'll be your first graded assignment in 4th grade. The order form and \$5 book fee is due Tuesday, May 22.

## Summer Enrichment

Utica Schools is offering classes in reading and math for school-age children. You may want to consider this if your child is weak in any of these areas or even to just help them keep their skills sharp over the summer.

You can register for these classes now.

For further information call (586)797-1050 or go online to [www.ucsccommunityeducation.com](http://www.ucsccommunityeducation.com).

Chapter 11A  
Multiplying Greater Numbers

We will start multiplying two digits by one digit. Please keep practicing your facts.

Multiplying greater numbers will be very difficult if you don't know your facts well.
