Memorial Day

The Memorial Day weekend will be extended from Thursday, May 24 until Tuesday, May 29. Classes will resume on Wednesday, May 30.

May Reading Log

The May Reading log is due Friday, June 1. Good job to all those who kept up with their reading each month.

Author Study

Rather than reporting on a book, the students are to research their favorite author. Look in the Friday folder for all the information about this project. The report is due Thursday, May 31.

Water Well Wishes

Wednesday, May 30 we'll have a \$1 donation jeans day to help raise money to help the people of Somalia get fresh water. For every \$100 we raise, a new well can be dug. Our goal is \$500!

Field Day

Thursday, May 31 is our field day. The students will be supplied with snacks and a hotdog lunch. Please remember to dress for the weather, preferably with layers (jeans are ok). It would also be a good idea to lather your child at home with sunscreen to help prevent sunburns. The color your child will wear on field day is _____.
